

FACTORY

Introduction

01 Tooling Workshop

Owns multiple CNC equipment.

02 Auto-Injection machine

Owns around 20 HAITIAN brand injection machines.

03 SMT

JUKI brand high speed SMT machine imported from Japan.

04 Workbench

Semi-automatic special workbench for professional customized assembly line.

05 Wave-soldering machine

Automatic laser wave soldering equipment.

06 Insertion line

Owns efficient insertion line.

07

Product testing

100% Age testing.

08

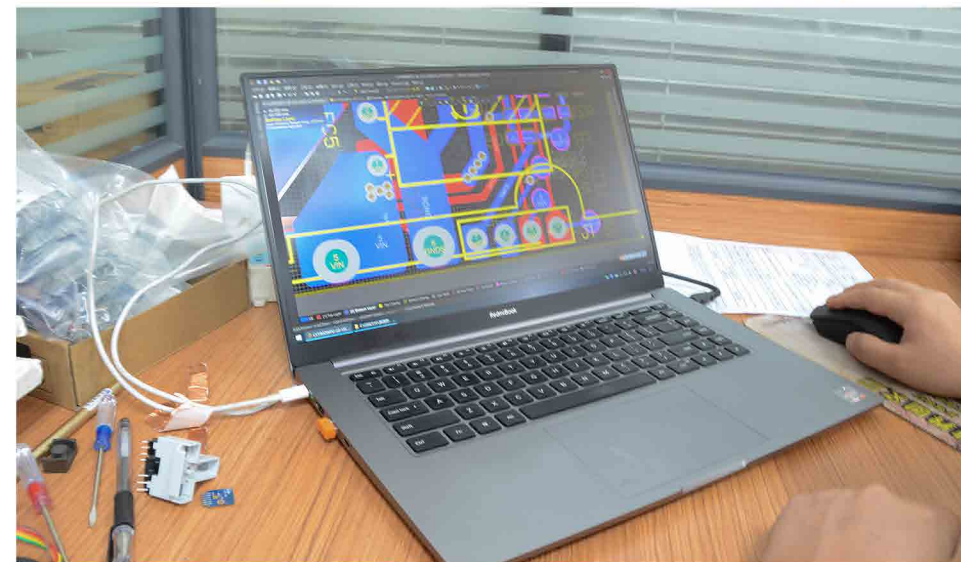

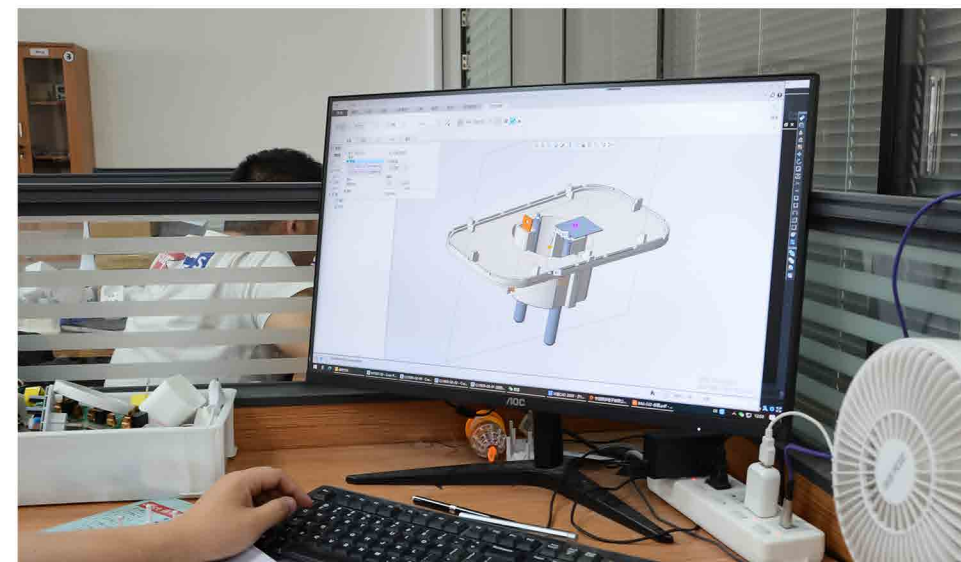

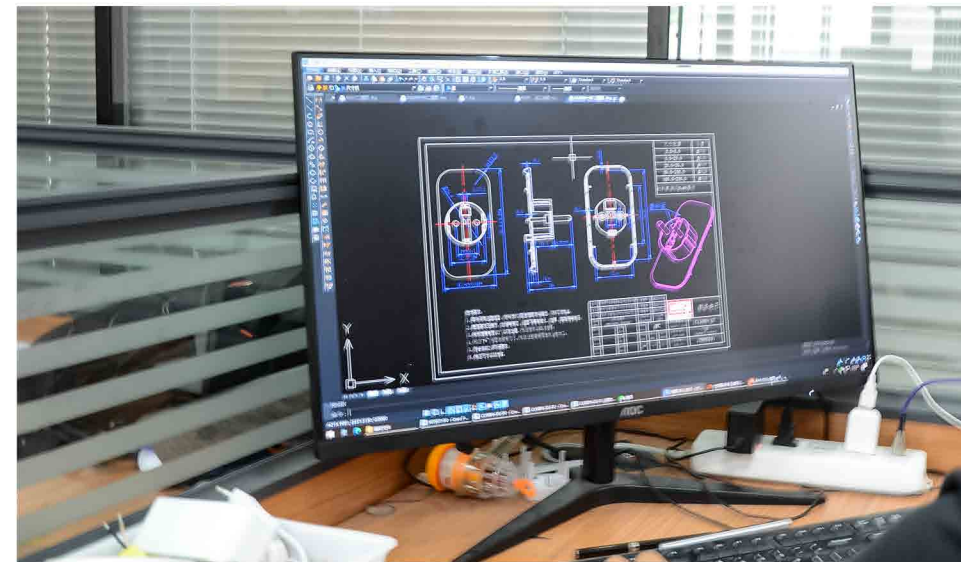

Laboratory

Comprehensive & professional testing equipment.

09

Showroom

Intelligent experience space for smart home.

10

Appearance design

Unique & high level.

11

Configuration design

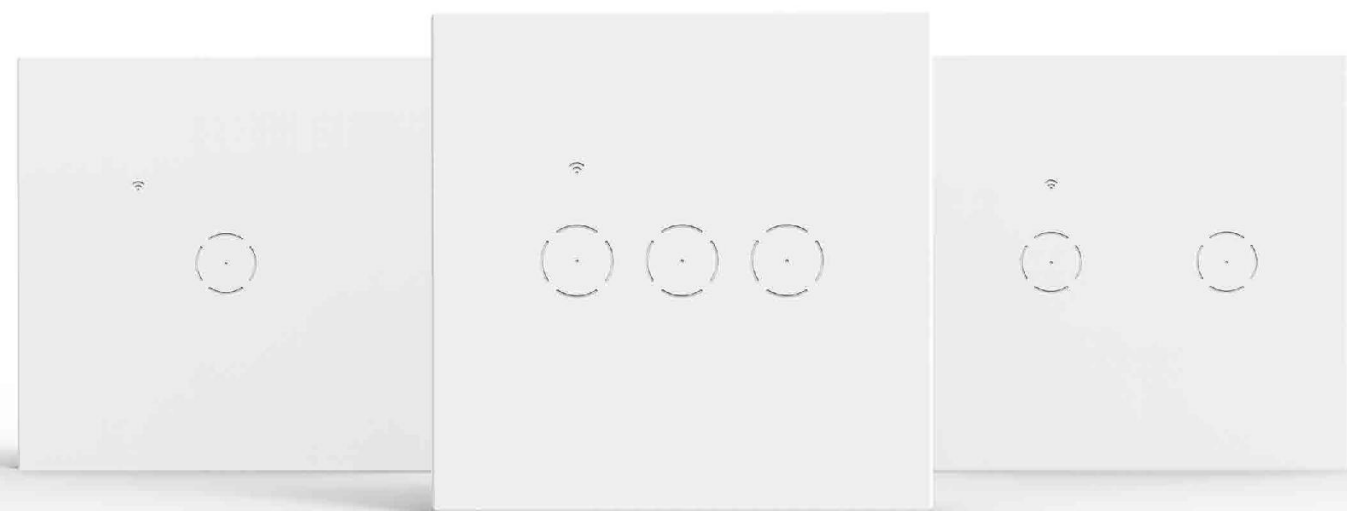

With a number of excellent engineers.

12

Electronic R&D

With a number of professional senior engineers.
